# OBGYN AUSTRALIA

Our practice specialises in caring for your gynaecological, obstetric, and fertility needs. We pride ourselves on exceptional patient care and service and look forward to assisting you with your requirements.

Dr Stephen Cattanach is a specialist obstetrician and gynaecologist with special interest in fertility and IVF. Dr Cattanach has been working in Brisbane and with the Mater since 1989 and has extensive experience, which covers a wide range of aspects in all of his specialities. This includes most surgical aspects of gynaecology. We are also set up for minor procedures which can be accomplished in our treatment room at the Mater Medical Centre.

Dr Cattanach offers a full obstetric service for patients in our rooms and at the Mater Mothers' Private Brisbane. Dr Cattanach works closely with Dr Clare Boothroyd and the rest of the team at Assisted Conception Australia, and practices IVF in conjunction with ACA at Greenslopes Private Hospital.

## OBGYN AUSTRALIA'S TEAM

Betty Reader is a senior consultant midwife with over 30 years' experience at the Mater Mother's labour ward, both in public and private. Betty is available for consultations on Tuesdays and we recommend patients see her at 16, 24, 32, and 37 weeks gestation. Not only will these appointments be charged at a reduced rate, Betty provides patients with an additional dimension in care and counselling and is an integral asset to our practice.

## CONSULTATIONS

We recommend contacting our practice as soon as possible to arrange a consultation to ensure your most convenient appointment time. We can reserve all of your antenatal appointments for the duration of your pregnancy after your initial appointment. My staff are more than happy to accommodate for your busy schedule. A valid referral is required in order to claim your Medicare rebate for appointments, please ensure your referral is always up to date.

We request payment on the day of your consult and we accept cash, cheques, and credit and debit cards. Please see the following for our fee schedule.
